Central Intelligence Agency
Office of the Deputy Director for Intelligence

6 January 1988

NOTE TO: Director of Central Intelligence

Each Office in the Directorate of Intelligence puts out a periodical commenting on developments in their area. These are sent primarily to people outside the Agency who follow a particular area or activity. We have gotten enthusiastic feedback from the recipients. I don't expect you to read this, but you might want to take a quick look at the Table of Contents to get an idea of the diversity of this kind of publication.
